

ACPF Consulting Service Directory

This directory lists partners available for hire who can offer technical consulting services related to the Agricultural Conservation Planning Framework (ACPF). Organizations listed here have confirmed that they have staff trained in the technical aspects of the ACPF and can run the ACPF toolbox in collaboration with local partners.

The listing of an organization, or lack thereof, does not imply endorsement or disapproval by the ACPF National Hub, its sponsors, or collaborators. All contact information is accurate to the best of our knowledge. Organizations wishing to be included in the directory can contact the ACPF National Hub at: acpfhub@iastate.edu

Organization	Website	Contact	Additional Information
Civil & Environmental Consultants, Inc.	https://www.ccecinc.com/	Amy Towell atowell@cecinc.com	“Nine-Element Nonpoint Source Implementation Strategy for Slabcamp Run-East Fork White Oak Creek (HUC12 05090201), 2024”
Environmental Solutions AQ (ESAQ)	https://www.ensoaq.com/	Monica Rakovan, PhD CPG , President/EPA Certified Inspector, monicarakovan@ensoaq.com	<p>“Based in Oxford, OH Environmental Solutions AQ, LLC (ENSOAQ) focuses on the protection of environmental resources in Ohio, Michigan, Indiana, Illinois, and New Mexico.</p> <p>“Environmental Solutions AQ is committed to the value of the Agricultural Conservation Planning Framework (ACPF) concept, which is an agricultural watershed management tool supported by high-resolution data and ArcGIS.”</p> <p>ENSOAQ has partnered with The Nature Conservancy to perform ACPF, assisting local stakeholders in selecting effective conservation practices for specific locations. ENSOAQ completed 38 ACPF models for The Nature Conservancy in the Western Lake Erie Basin of Ohio, and this partnership has also completed several ACPF in Indiana and Illinois.”</p> <p>https://www.ensoaq.com/watershedmanagement</p>
